Federation Welfare and Grievance Committee:

In order to keep the college informed about the present state of its activities, the Faculty Federation Welfare and Grievance Committee reports that, during the five meetings held since its formation in September, the Committee has considered four items. Two have been withdrawn. The third, concerning non-retention, has completed Step II of the Grievance Procedure, and the fourth, involving tripartite governance, is currently at the midpoint of Step II.

Additional information can be obtained from the secretary, Charles Churchill; chairperson, Calvin Burnett; or any of the committee members: John Baker, Phyllis Ewen, or Ron Hayes.

The next meeting of the Committee is on Thursday, 15 December, at 12:30 PM in Room 311 of the Fullerton Annex. Agendum is the continuation of John Baker's survey and questionnaire. These meetings are open to all faculty members.

Poetry Workshop:

We had a most fruitful meeting last Thursday. We decided to postpone our exhibition until the first week of second semester and herald it and the new semester with a bang-up affair. Besides exhibiting our work in the cafeteria, we shall have a name poet reading, wine and food tentatively on Wednesday, January 25 in the evening!

Targetting this date, you will have to get in your poems (drawn, typed, written but on presentable paper) so that they can be appropriately framed by December 21. Leave your work in Longwood, B4 either with Mrs. Ryan or Dr. Chalpin.

We need more volunteers for distribution of posters, creation of them, helping to set up exhibit, and giving ideas on how to make this a gala event.

If you wish to participate, please drop a note in Colleen Harquail's mailbox or Dr. Chalpin's so that we know we can count on your participation in some way.

If you need vacation time to put together your work, please let us know and if possible we shall reserve space for you.

Last Friday (11/18) as I was just entering consciousness after the longest night in my life, the hospital volunteer entered my room carrying a pot of beautiful red begonias. I cannot express in words my reaction. All I can do is say a special "Thank You All" for sending me this plant at this time and wishing me a speedy recovery. It must have been an omen because the pathology reports were negative and the operation was satisfactory.

I am home now resting and continuing to enjoy the bright red flowers. I hope to nurse it through the winter too.

Thank you all again for your thoughtfulness at such a crucial time for Russell and me.

With love,

Mrs. Russell Doucette
